Office Action Summary

Art Unit: 2834

This action is in response to applicants telephone inquiry of November 20, 2000. Applicants representative noted that the PTO had not yet responded to applicants request for withdraw/of the last office action. That request was based on the PTO failing to consider a preliminary amendment filed by applicant on 4-10-00.

The examiner has inspected the filed and found applicants letter filed 6-19-00 but no preliminary amendment. The patent office should have communicated this to applicants by 7-19-00.

Thus in fairness to the applicant and in view of the PTO failure to respond to applicants timely letter of 6-19-00, the examiner is giving applicant ONE MONTH to supply a copy of the 4-10-00 preliminary amendment as well as proof of its filing. If such amendment and evidence of filing are received, the examiner will withdraw the rejections stated in paper no. 4 (6-12-00).

The period for response to the office action of 6-12-00 as well as s this communication is restarted to run ONE MONTH from the mailing of this letter.
